

**KAP(SS) 4 KID(SS) PRESENTATION
TO HOLLY SHANKS
(with sister Payton and parents Dustin & Becky)**

Most of you are aware that our COB's Great-granddaughter, Holly, was in a horrible accident last August. Over these many months Holly has undergone surgeries and lots of rehab to correct her injuries. On Sunday, March 27th, Charleston Base Sub Vets presented her with a KAP(SS) 4 KIDS (SS) cap, a certificate designating her as an Honorary Submariner and a framed picture of the USS Seawolf (SSN-21). Holly's sister, Payton, was also given a KAP(SS) 4 KIDS (SS) cap in recognition of her loving support to her little sister throughout this ordeal. The ceremony began with a prayer offered by our Chaplain, Nick Nichols. Other USSVI Charleston Base members attending were G.W. Williams, K 4 K Coordinator, Jerry Stout, Marvin Miller, and our very special WW II Sub Vet, Lee Allison. Lee was a signer of Holly's certificate. Of course, our COB and his lovely wife Jean were present, as well as, Mrs. Val Williams and Mrs. Frieda Miller. Following the program, everyone enjoyed finger foods, cake and ice cream. I think it is fair to say all had fun!
