

Silent Service

*By Electronics Technician 2nd Class Jared Givens
USS Florida (SSGN 728) (Blue), Nov. 19, 2008*

Goin' no where fast,
With set in our face.
All the time in the world,
Yet not a minute to waste.

Lookin' to shore,
Curiosity runs deep.
Soon we will see,
If we will make a clean sweep.

Reliable and courageous
The crew must be.
Responding with vengeance
To any casualty.

When you believe no one is watching,
Thinking the coast is clear.
Check your gut feeling,
There is a Submarine near.

We stand together not knowing,
What we will see.
The stories of the Silent Service,
With Davy Jones they will be.
