

New Aloha shirts that should be available by Veteran's Day. They are made by Tori Richard (the premier aloha shirt maker in Hawaii). His shirts sell for over \$100 in the Navy Exchange. The shirts have almost every class of submarine, CPO, Officer devices, Dolphins, Patrol pins, Boomer pins, etc. They are wash and wear. Not sure of price yet - but should be in the \$75 range.

This is a money maker for the Hawaii base but most will be donated to USSVI for distribution to scholarship fund, submarine memorial fund, etc.

If interested, contact Karl Dye. Here's his e-mail: karlkathydye@hawaiiintel.net . Karl is a retired Submariner, Nuke I think.
