### **Chaplain's April Report**

#### **Highlighted boat of the month:**

**51 years ago today, April 10, 1963, the USS THRESHER (SSN-593)** was lost with 112 crew members and 17 civilian technicians during deep-diving exercises. 15 minutes after reaching test depth, she communicated with USS Skylark that she was having problems. Skylark heard noises "like air rushing into an air tank" - then, silence. Rescue ship Recovery (ASR-43) subsequently recovered bits of debris, including gloves and bits of internal insulation. Photographs taken by Trieste proved that the submarine had broken up, taking all hands on board to their deaths in 1,400 fathoms of water, some 220 miles east of Boston.

- **Jim Gulick** went to the hospital on Monday. On Tuesday he was diagnosed with early stage pancreatic cancer. Maria called me yesterday to say that the diagnosis has been changed to stage IV pancreatic cancer. He was to come home today. When I know that he is home and ready for visitors and calls, I will put out an email.
- **Barbara Curtis, Ken's wife**, had surgery on March 27. She is home recovering.
- **Shirley McDonald** presented the base with a card:
  - *To all Ben's SUBVET brothers, Many Thanks! I want to thank you all for the wonderful service you made for my husband, Benjamin McDonald's journey on his Eternal Patrol a special one. He would have been so proud. He always looked forward to his SUBVET meetings and when he did feel like going to the After Battery with "Lou" or "Ben". One day he will be with you all again. Sincerely, Shirley.*
- **Clyde Peters** is still in Mt. Pleasant Manor Nursing Home, 921 Bowman Rd, rm 323. Visitors would be appreciated. His memory and abilities are getting worse.

Several follow-ups were made on those who've had surgery or illnesses in the last couple of months along with the base sending additional cards.

If you know of shipmates or spouses from other bases who are having a difficult time, had surgery, etc. and would like for USSVI Charleston Base to send them a card please send their name and address to the Chaplain via email or phone call.
